

HARDEEP SHIYANI

TECH LEAD | SOFTWARE & DEVOPS DEVELOPER

hardeepshiyani5@gmail.com | hardeepshiyani.in | linkedin.com/in/hardeep-shiyani

SUMMARY

Tech Lead with 5+ years of experience in full-stack development, cloud infrastructure, and DevOps. Skilled in building scalable, secure applications using PHP (Laravel), Node.js, and AWS (EC2, RDS, S3, IAM). Proven leader in streamlining CI/CD workflows and mentoring high-performing teams.

PROFESSIONAL EXPERIENCE

Tech Lead, Indigital Technologies LLP

Apr 2025 – Present

- Lead the full software development lifecycle for client projects using PHP Laravel, Node.js, Python, and AWS, making key architectural decisions to deliver scalable, secure, and maintainable solutions.
- Mentor and guide developers to boost team productivity and code quality, while partnering with stakeholders to align technical strategies with business goals.

Sr. Software Developer, Indigital Technologies LLP

Apr 2023 – Mar 2025

- Architected and developed scalable software solutions with PHP Laravel and Node.js, managing AWS infrastructure (EC2, RDS, S3, IAM) for secure and efficient operations.
- Designed and maintained automated CI/CD pipelines using GitLab, cutting deployment time by 30%; mentored junior developers and modernized legacy code to improve maintainability and security.

Software Developer, Indigital Technologies LLP

Jun 2022 - Mar 2023

- Developed and maintained PHP Laravel, Node.js, and SQL applications, enhancing stability by 40% through thorough testing and debugging.
- Supported deployments and swiftly resolved production issues to minimize downtime.
- Improved code quality by 15% via detailed reviews and documented customer requirements and project plans.

Jr. Software Developer, Mukesoft IT Consultants

Mar 2020 – Dec 2021

- Delivered custom software solutions tailored to client needs.
- Troubleshooted and resolved software issues, boosting system stability.
- Managed feature rollouts and coordinated deployment processes.

SKILLS

Programming	: PHP, Laravel, Node.js, JavaScript, jQuery
Cloud & DevOps	: AWS (EC2, RDS, S3, IAM), Docker, GitLab CI/CD
Database	: MySQL, SQL, Firebase
Version Control	: GitLab, GitHub
Development Tools	: VSCode, Postman
Soft Skills	: Leadership, Troubleshooting, Code Reviews, Collaboration

PROJECTS

Digital Product Brochure Website (sweetnight.in)

Jan 2020 – Mar 2020

E-commerce-like Product Display Website: Developed a dynamic platform enabling admin management of products, categories, and media, with full CRUD functionality.

EDUCATION

B.E. in Computer Engineering – Universal College of Engineering (2016–2019) – CGPA: 8.25

Diploma in Computer Engineering – SVP Polytechnic (2013–2016) – 71%

10th Grade – SVP Vidhyalaya (2013) – 77.64%

ACADEMIC PROJECTS

- E-Price Negotiation Web Application**
 - Role: UI Designer, Tester, Core Developer
 - Description: E-commerce web application leveraging Fuzzy Logic to offer personalized discounts.
- Online Bus Tracking Android Application**
 - Role: UI Designer, Tester, Core Developer
 - Description: Real-time bus tracking system with driver and user applications.
